

# Brill Gardens

Don't just have a garden, have a **Brill** garden!

## Client Questionnaire

1. How do you see the garden being used?  
(Parts of the garden often lend themselves to particular uses for example, an outdoor room to relax, for children to play, outdoor dining, to encourage wildlife, vegetable gardening).
2. What practical uses are necessary?  
(Washing line, dustbin, recycling, composting etc).
3. How would you like to see the garden develop?  
(Trees, shrubs and shaded areas).
4. What types of gardens appeal to you and are there any plants that you like especially?  
(Formal, informal, modern, wacky). You could collect a few examples from magazines, etc.
5. Are there any problems that may need attention/repair?  
(i.e. getting rid of unwanted plants/features, hiding eyesores)
6. Who will look after the garden and for how many hours a week?
7. How much are you prepared to spend on the garden?  
(Materials, labour, plants, maintenance).
